

Event Information:

1. The registration deadline is extended to April 31, 2016. Late registration may be accepted depending on space availability, like mediums and styles already accepted.
2. All work must be original, handcrafted, created by the approved artist. No kits, imports or mass produced items will be accepted. Collector's prints (reproductions) will be accepted and must be framed and should be labeled as reproductions.
3. Please come prepared for Nebraska's variable weather (especially high winds which may require you to secure your exhibits). Artist should plan to provide all items needed for displaying art, such as display panel, easels, tables, pedestals and shelter. Electricity is not available for specific booths under the tent and the area designated for artists providing their own displays. Although work may be displayed on the ground within the allocated space, artists are encouraged to use other display means to avoid possible damage to works and create a more professional appearance.
4. Artists are asked to post name, city and state on your exhibit in a visible location. Artists must provide their own sales tax number, sign and return the "Artist Waiver" form and provide their own insurance (see enclosed/attached application).
5. Security personnel will be on site for crowd control and to watch over the display area but we are not responsible for theft.
6. Artists may begin setting up displays at Lakeview Acres Park on Saturday morning at 7:00am and must be completed by 9:00am.
7. Due to legal requirements, everyone attending the Friday "Meet & Greet" must be pre-registered. Once selected and you receive your RSVP card, please return your reservation via the following methods: email: karenfinken2@gmail.com; text (308-651-1002) or mail the card back to the specified address.
